August 10, 2013

Dear Parents,

Believe it or not, the 2013-2014 school year will be under way before you know it! I am excited about the upcoming school year, and I hope you and your children are too.

Please find the enclosed registration packet that must be completed and returned to the school, along with the first semester tuition payment, by Friday August 23, 2013. The important details on the forms will help us to get to know your child and facilitate the planning for our upcoming school year.

In order to start school your child must be up to date with all immunizations based on the current guidelines. Your child's doctor has a list of all required inoculations. Please also keep in mind that we require all preschoolers to be toilet trained by the first day of school in order to participate in our program.

Your child can look forward to receiving a letter from his/her teacher in the next couple of weeks. This greeting will detail important information regarding the all-important first day of school!

New families will receive the school handbook, special event calendar and snack schedule during our important Parent Orientation/Information night (adults only, please) scheduled for the evening of Tuesday, September 10th at 6:30 pm upstairs in the Fellowship Hall. This orientation will be held to answer any questions you may have about your child's program and routine. It will also give your child's teacher a chance to share information about their curriculum with you. Returning families are also encouraged to attend this orientation as we make important updates to our handbook each year. If you can't be at our orientation, you will receive your orientation packet during the first week of school.

We will be holding our Second Annual Back to School Social for Parents on Friday, September 20th. Please take a look at the enclosed flyer and save the date for this fun event for HTP parents!

Please don't hesitate to contact me at 685-5820 (preschool) 436-3353 (cell) or holytrinitypreschool@yahoo.com with any questions. I hope your family is enjoying these last weeks of summer vacation. I look forward to working with you and your child throughout the coming year.

Sincerely,

Desiree Franciamone, Director
